

## Marriage P.R.E.P. and/or

One of the most significant decisions any of us makes is the choice of a life-partner. No decision affects our lives "for better or for worse" more profoundly than the decision to marry. It is much easier to prepare for a successful wedding than for a successful marriage. Samaritan Counseling Services can help you create a vital, healthy marriage.

Samaritan offers several options in preparat for marriage. Those being married in a partner church will receive a reduction in price. Please check with your church about your congregational status and marriage preparation requirements. Choose all that apply:
